Mainstream Funshops

The purpose of the Funshop dances is to help dancers better their knowledge of the level they are currently dancing. Mistakes are always made, but the goal is to reduce the amount of mistakes we make and have fun while doing it. The goal is to make going to a dance fun! My aim is to have you dance to as many callers as you like at the level you are dancing; to enjoy weekends, festivals, and conventions.

I have been doing Funshop dances in Mesa AZ for 30 years. The dancers always comment they like having a place to go to fix their dancing problems. Come join us!
