The Oaky Doaks Square and Round Dance  
Club invites everyone attend our  
***"We're not dark dance!"***

While some clubs have gone dark because it's  
summer time, and especially the heat that  
sometimes come with it, the Oaky Doaks have  
stayed open dancing to Michael Halley's calling  
and Helen Halley's cuing in our air conditioned  
dance hall.

For this dance, bring a flashlight or glow sticks to  
be a part of our dancing in the dark tip.

Come join us as we dance away the weeks of  
summer.
