Who I am: I have been calling since 2017. I dance with BnB and Rosetown Ramblers. I am a member of the Gay Caller Association and CALLERLAB. I am also putting out music on FineTune Goldwing Record's. My birthday is actually December 28th, but I just love to call so I do a belated dance, like the one I did in 2020. I have been working with Mike Sikorsky and we have two Plus teach events and Plus dances in May and June. During the dances Mike and I will be calling together. I am open for gigs in the greater Portland area and I live in Oregon City.
